

TREDEGAR TOWN COUNCIL

supports

To ensure an understanding of the role of the Armed Forces, and to promote how strong the link continues to be between the Forces and Tredegar Town Council; an annual event has been held over the past decade to celebrate and support Armed Forces Day. [Armed Forces Day 2019 | Flickr](#) [Tredegar's Armed Forces Day 2016 | Flickr](#) In previous years, the Town Council has used the event to raise money in making a contribution to Forces charities.

The support of the Regimental Band of the Royal Welsh has been vital in highlighting our continued link, bringing colour and life to the event with their performance, as the town of Tredegar has a long history of Band music and has taken the Regimental Band to their hearts.

Many local groups, military personnel and organisations, also support this event year on year providing stalls and displays - ensuring a most enjoyable day for our guests, visitors to Tredegar from far and wide, and the community as a whole - raising the profile of the Forces and also money for charity (locally and nationally), such as Change Step, SAMA Wales 82, RAF Association 'Wings Appeal' and the Royal British Legion (Tredegar Branch), to name but a few.

Unfortunately, the Town Council has taken the difficult decision NOT to hold a physical event this year, in the interest of public safety and restrictions to prevent the spread of the Coronavirus, but very much hope to be in a position to return to our normal celebrations in 2022.

In the meantime, please join Tredegar Town Council in
Supporting our Armed Forces Community

**Armed Forces Week - commencing Monday 21 June 2021
through until 'Armed Forces Day' on Saturday 26 June 2021**
