- Town Clock – the Chair provided an update in respect of issues experienced in regard to the Town Clock over the Christmas period. Wires had come loose causing the electrics to trip; this could well be as a result of the extreme weather experienced: also, the Clock was not chiming. Two days later, the lights had come back on and therefore this matter had been reported to the electrician - MGM Electrical Ltd. The issue in respect of the chiming mechanism was the responsibility of Smith of Derby to be resolved and a proper assessment was needed.

- Keep Wales Tidy 'Orchard Pack' – the application form was now 'live' and would be completed accordingly.

There being no other business, the Chair thanked Members for attending and wished everyone a Happy New Year; the meeting closed at 6.47 p.m.
